Rolls GEL batteries have a 5 year warranty with a 3 year free replacement and 2 year pro-rated period when installed in Renewable Energy, Marine or RV applications. Rolls GEL batteries used for other applications (excluding Renewable Energy, Marine or RV) are covered by a 1 year free replacement only. The warranty period starts at the time of purchase. If the original receipt is lost, the warranty will be based on the battery date code. The warranty covers failure due to defects in material or workmanship. It does not cover failure caused by abuse, neglect or breakage. The warranty does not cover consequential damage or injury, discharged batteries, rental, freight, labor or administrative costs. Replacement batteries will be provided at the time the warranty is requested and approved. Rolls Battery cannot issue monetary credit and a claim cannot be made against the previous purchase of a new battery at regular price. For more information, please contact Rolls Battery Sales or Technical Support.
